

ZRR/JNO/LIM/Taster Day

November 2016

Dear Parent/Guardian

We are extremely pleased to inform you that on Wednesday 7th December 2016, we will be offering a Swale Sixth Form taster day, so that all of our Year 11 students can experience subjects they may wish to study in the Sixth Form. We will be announcing the details of this opportunity to Year 11 students in assembly and students will be given an option form to complete, so that they can select their choices for the day. These need to be completed by Wednesday 16th November and returned to either the Sixth Form Centre or the library.

The taster day will be held at Sittingbourne Community College, Swale Skills Centre and Westlands sites. We will be providing transport when the students need to move from one site to another and they will all return to their home school at the end of the day. Students will be expected to wear smart business clothes to school on that day, which is still a compulsory school day and attendance checks will be in place throughout the whole day at both schools.

- For girls – smart trousers/skirt, blouse/shirt, smart shoes.
- Boys – smart trousers, shirt, tie and smart shoes.

Whilst we appreciate not all Year 11 students intend to progress into our Swale Sixth Form, they will still be required to attend this day and we would recommend that they select subjects similar to those they will be applying for elsewhere. There will also be some Level 2 vocational choices available for those students who wish to follow that pathway.

This taster day is to enable our students to make an informed choice regarding their Sixth Form options and should be seen as an opportunity to experience different subjects they may wish to specialise in next year.

We look forward to having your full support for the success of this day.

Yours sincerely

Mrs Z Romney
Principal, Swale Sixth Form
Deputy Headteacher.

Mrs J Noble
Principal, Swale Sixth Form
Assistant Headteacher
