

P16+ Travel card instructions

Dear Parent/Carer

If your child travels by bus and needs a 16+ travel card you need to complete an online application through KCC. This year they have decided you have to pay on application but you can pay in two instalments. We strongly recommend that you only pay the first half of the year of £200 in the first instance and then we will send another reminder in January 2019 to apply for the second half of the year.

Students who have to travel between Westlands and SCC sites for their courses, will have the second half of the year paid for them.

If your child applies for bursary assistance (basic criteria is a household income of less than £20,000) you will need to send your travel application to the school for us to apply on your behalf, but you will have to apply for bursary funding, with supporting evidence, at the same time. We will also require one passport photograph at the same time of application. Those who are not successful in applying for bursary funding, will be contacted immediately, so that you can then apply as per the instructions above online.

The travel card forms can be download via the KCC website and a bursary application form is attached.

The website address is: www.kent.gov.uk/post16travel

Telephone: 03000 418484

The cut-off date for applications to arrive at the beginning of September is July 13th.
